Latin Juvenalis Juvenal

perhaps more than any other writer Juvenal c. ad 55-138 captures the splendour the squalor and the sheer energy of everyday Roman life in the sixteen satires he evokes a fascinating world of whores fortune tellers boozy politicians slick lawyers shameless sycophants ageing flirts and downtrodden teachers a member of the traditional land owning class that was rapidly seeing power slip into the hands of outsiders Juvenal also creates savage portraits of decadent aristocrats male and female seeking excitement among the lower orders of actors and gladiators and of the jumped up sons of newly rich former slaves constantly comparing the corruption of his own generation with its stern and upright forebears Juvenal's powers of irony and invective make his work a stunningly satirical and bitter denunciation of the degeneracy of Roman society

this text reveals juvenal s creative exploitation of greco roman ideas about the emotions in this new analysis of his satires and their arrangement

a new commentary on the first book of satires of the roman satirist juvenal the essays on each of the poems together with the overview of book i in the introduction present the first integrated reading of the satires as an organic structure

the last decades have seen a lively interest in roman verse satire and this collection of essays introduces the reader to the best of modern critical writing on persius and juvenal the eight articles on persius range from detailed analyses of his fine technique to readings inspired by theoretical approaches such as new historicism reader response criticism and dialogics the nine selections on juvenal focus upon the pivotal question in modern juvenalian criticism how serious is the poet when he voices his appallingly misogynist homophobic and xenophobic moralism the contributors challenge the straightforward equivalence of author and speaker in a variety of ways and they also point up the technical aspects of juvenal s art three papers have been newly translated for this volume and all latin quotations are also given in english a specially written introduction provides a useful conspectus of recent scholarship
