the catechism of the catholic church is the sure norm for teaching the faith apostolic constitution fidei depositum still the language and wording of both the catechism and the second vatican council is one full of poetic beauty and soft diplomacy this style of poetry and diplomacy is not the most appropriate for clarity in many places the language results hard to understand and multiple contradictory interpretations are possible due precisely to the language full of charity but not of clarity the purpose

catholic popes and vatican councils have pronounced many teachings which they say are necessary to believe such as it is necessary for salvation to submit to the roman pontiff christians must keep the law and do good works to be saved anyone who says they are certain they are saved and going to heaven is anathema cursed damned as a heretic mary was immaculately conceived remained a virgin her whole life never sinned was taken up body and soul into heaven and exalted as the queen of heaven only priests can forgive sins after one confesses to them christians must purge some of their sins in purgatory some people in non christian religions will be saved but are these and many other catholic dogmas biblical the truth about roman catholicism examines several key doctrines of the catholic church as stated in the official catechism of the catholic church in light of the bible the reader will be shown the difference between the gospel of christ and the gospel of rome and the crucial choice that must be made to obtain eternal life
